## SPARKLING ROSÉ

"Hands down the best California sparkling wine under 30 dollars. Buyers beware, this is far too easy to drink!"

- Flatiron Wines & Spirits, San Francisco

Refreshing, zesty & floral, this rosé is made only with organically-farmed grapes & a small amount of sulfur.

It has notes of strawberry, raspberry, white flowers, & grapefruit zest.

Amazing with oysters, triple cream cheese, oven-roasted fish, fried chicken or veggie pizza, this sparkling pairs with almost anything!
